

**DPFP Statement on Rawlings Decision to Withdraw Temporary Injunction Hearing  
January 13, 2017**

“We’re pleased that Mayor Rawlings withdrew his request for a temporary injunction hearing. The Dallas Police & Fire Pension System now can move forward and administer the policy adopted yesterday to help provide retired members with equitable and impartial monthly access to some funds. We’re also grateful that we won’t have to devote additional resources and time to the temporary injunction request. Instead, we can focus on working with the city of Dallas and state legislators on a long-term solution to secure retirement funds for Dallas’ first responders.”
