As amended through August 13, 2015

**DALLAS POLICE & FIRE PENSION SYSTEM AND
SUPPLEMENTAL POLICE AND FIRE PENSION PLAN
OF THE CITY OF DALLAS, TEXAS**

CONTRACTOR'S STATEMENT OF ETHICS

Adopted January 11, 1996

As amended through August 13, 2015

I. SCOPE AND OBJECTIVES

The Board of Trustees (the "Board") of the Dallas Police and Fire Pension System and the Supplemental Police and Fire Pension Plan of the City of Dallas, Texas (collectively referred to as the "System") adopts and shall enforce this Statement of Ethics to serve as guidance to the System as well as to persons who provide, or actively seek to provide, goods or services to the System (referred to herein as "Contractors"). This Statement of Ethics will apply to all Contractors in the performance of their respective duties and activities and is intended to instill and maintain a high level of confidence in the relationship between the System and the Contractors, as well as maintaining the confidence of the general public and government officials in the System, its Board and the Contractors.

This Statement of Ethics will provide assistance in clarifying certain obligations of the Contractors in carrying out their duties and obligations. Contractors are always expected to obey applicable law and to file any reports that may be required by Texas or Federal statutes. Should there be any conflict between this Statement of Ethics and state law, the state law will prevail.

Contractors must be honest in their dealings with the System and such other persons with whom they have dealings in the course of involvement in the System's matters, and must be loyal to the System to the extent such loyalty is not in conflict with other legal duties which are perceived to take precedence, provided in the event of any perceived conflict the Contractor shall advise the Executive Director in writing of same.

II. DEFINITIONS

- A. Benefit** – means anything reasonably regarded as economic gain or advantage.
- B. Business Relationship** – means any employment relationship or any other commercial connection between two or more parties that results in taxable income, other than investment income, to one or more of the parties. However, a Business Relationship does not arise as a result of one or more transactions conducted at a price and subject to the same terms available to the public or a transaction that is subject to rate or fee regulations by a government entity.

- C. **Contractor** – means any person, whether an individual, partnership, corporation or other organization that provides, or actively seeks to provide goods or services to the System or any System Representative to be used in the performance of the System’s functions. Services means skilled or unskilled labor or professional services, including but not limited to, custodianship of funds, management of investments, advice with regard to investments and/or investment manager(s), maintenance of official records, the provision of professional advice and other System related services.
- D. **Employee** – means any employee of the System, including, but not limited to, the Executive Director, Chief Investment Officer, Chief Financial Officer, General Counsel, and their staff, if any.
- E. **Family Member** – means a parent, child (whether or not a minor), spouse, step child, mother-in-law, father-in-law, son-in-law or daughter-in-law.
- F. **Fiduciary** – means any person who: (i) exercises any discretionary control over the management of the System or any authority or control over the management, investment or disposition of the System’s Assets; (ii) renders investment advice for a fee or other compensation, directly or indirectly, or has any authority or responsibility to do so; (iii) has any discretionary authority or discretionary responsibility in the administration of the System in the determination, application, approval or denial of benefits; or (iv) has been designated by the Board as a Fiduciary and has agreed to such designation in the performance of certain duties for or on behalf of the System. It is, however, recognized that the System’s attorneys, actuary and accountant do not exercise the type of discretion or control over the management of the System that would make them Fiduciaries for purposes of this definition.
- G. **Gift** – means, generally, anything of economic value given without adequate consideration including, but not be limited to, any payment of cash, goods or services. However, Gift shall not include meals or refreshments provided to another person as a guest when the host is present.
- H. **Investment Income** – means dividends, capital gain or interest generated from: (i) a personal or business checking account, share draft or share account or similar account; or (ii) a personal or business investment, or (iii) a personal or business loan.
- I. **Substantial Interest** – means: (i) ownership of ten percent or more of the voting stock, shares, or equity interest of an entity or investment; (ii) ownership of ten percent or more of the fair market value of an entity or investment; or (iii) receipt of ten percent or more of gross income in any twelve month period from

an entity or investment. With regard to real property, a substantial interest is an equitable or legal ownership with a fair market value of \$2,500 or more. A person is considered to have a substantial interest in an entity or investment if a Family Member of that person has a substantial interest in that entity or investment.

- J. System Representative** – means any Trustee, Employee, Contractor or agent of the System.
- K. Trustee** – includes any person who has been elected or appointed as a Trustee of the System under Article 6243a-1 of the Revised Civil Statutes of Texas and has agreed, by acceptance or act, to serve as a Trustee of the System.

- B.** All Contractors must comply with all applicable laws, maintain proper ethical standards of behavior, and be honest in their dealings with the System, its members, pensioners and eligible survivors, other Contractors, and government officials.

V. EXERCISE OF DUTIES

- B.** A Contractor (including management level employees of the Contractor) with a Substantial Interest in an entity in which the System invests or with respect to which the System does business must fully and promptly report such interest to the Executive Director.
- C.** A Contractor who, directly or indirectly, has a personal, private commercial, or business relationship unrelated to the services that the Contractor performs for the System, with any other System Representative that could reasonably be expected to diminish the Contractor's independence of judgment in the performance of the Contractor's responsibilities to the System shall promptly disclose that relationship in writing to the Executive Director.
- D.** No Contractor will knowingly participate in the breach of any duty by another System Representative or participate in concealing such breach. If a Contractor has knowledge of such a breach or a prospective breach, such Contractor has a duty to notify the Executive Director of same in writing.
- E.** It is understood that Contractors may contact Trustees or Employees to provide information believed to be pertinent to a matter. In light of the preceding, the Trustees will endeavor to keep an open mind on all matters properly the subject of Board deliberation. VI. CONCURRENT BUSINESS RELATIONSHIPS

It is recognized that one or more Contractors may have other clients in common and may also render arms-length services to another Contractor. If such relationships are not intended to influence either Contractor with regard to the System, they will not be in violation of this Statement of Ethics; provided, however, that the existence and nature of such business relationship (including any economic relationship which bears upon the services rendered to the System) is disclosed to the Executive Director in writing.

VII. TRAVEL AND RELATED EXPENSES

Contractors must not provide anything of material value to a Trustee or Employee for the purpose of attending any conference, convention, seminar or other business meeting except for the payment of the travel or related expense as provided above, as well as generally provided and available entertainment events sponsored at such conferences, conventions, seminars or other business meetings. *Di minimus* promotional materials may be accepted by Trustees and Employees attending such events. However, door prizes are treated as Gifts and will be subject to the reporting requirements of Section IX.B. below.
- B.** Notwithstanding anything elsewhere herein, a Trustee or Employee is prohibited from accepting any travel expenses from a Contractor where the clear purpose of such expense is to affect the determination of the selection of a new Contractor or to affect the determination of the assignment or continuation of, or additional business to, an existing Contractor.

VIII. MISCELLANEOUS – BIDS AND PROPOSALS

- A.** Other than social conversations, a Contractor must not knowingly have direct or indirect contact with Trustees once the Board has decided to obtain bids or proposals from said Contractor. - B.** A Contractor must not entertain a Trustee or Employee during the bid and proposal period for the Contractor.
- C.** If necessary to properly conduct the bid processes the Contractor may have conversations with Employees regarding such bid process.
