   b. Potential claims involving fiduciaries and advisors

2. **Real estate investment consultant**

   Page 1 of 2
3. **Potential sale of interest in NTE 3a and 3b**

   Portions of the discussion under this topic may be closed to the public under the terms of Section 551.072 of the Texas Government Code.

4. **Consideration of recent public statements by Trustees**

   Portions of the discussion under this topic may be closed to the public under the terms of Section 551.071 of the Texas Government Code.
ITEM #1

Topic: Legal issues

Portions of the discussion under this topic may be closed to the public under the terms of Section 551.071 of the Texas Government Code.

a. Police Officer and Firefighter pay lawsuits
b. Potential claims involving fiduciaries and advisors

Discussion: Counsel will brief the Board on these issues.
ITEM #2

Topic: Real estate investment consultant

Discussion: At the February 11, 2016 Board meeting, The Townsend Group was terminated as the real asset investment consultant. Staff is recommending that DPFP expand the scope of the general investment consultant, NEPC, to include the real estate and natural resource assets that were previously covered by Townsend. NEPC’s real asset services would include performance reporting, investment monitoring and investment recommendations.

Staff Recommendation: Authorize the Executive Director to enter into an agreement with NEPC for investment consulting services for the entire DPFP portfolio.
ITEM #3

**Topic:** Potential action relating to NTE 3a and 3b

Portions of the discussion under this topic may be closed to the public under the terms of Section 551.072 of the Texas Government Code.

**Discussion:**

In August 2012, the Board approved a $50 million infrastructure investment commitment to facilitate a 10% equity stake in the North Tarrant Express 3a-3b (I35W) project. This managed lanes public-private partnership extends north just over 10 miles along I35W from downtown Fort Worth at I-30 to IH-820 (Segment 3a), and IH-820 to US 81/287 (Segment 3b). Construction commenced in 2013 and DFPF has funded approximately $21 million of the commitment.

TXDOT has now requested the developer also construct another segment (3c) extending from US 81/287 another 7.1 miles to Eagle Parkway, north of Alliance Airport. The proposal would be a change order to add this segment as part of the original 3a-3b project, requiring additional equity contributions. Staff will review the options as it relates to the addition of this segment to the project.

**Staff Recommendation:** Available at the meeting.

*Special Board Meeting – Thursday, March 24, 2016*
ITEM #4

Topic: Consideration of recent public statements by Trustees

Portions of the discussion under this topic may be closed to the public under the terms of Section 551.071 of the Texas Government Code.

Discussion: The Chairman has requested a discussion about recent public statements by Trustees.
